- 4.2. If the Investor exercises the right to cancel his or her Subscription, the cancellation will take effect upon the Manager's receipt of the written notice specified in Clause 4.1 and the Manager will refund any monies paid by the Investor less any charges the Manager has already incurred in providing the services undertaken in accordance with the terms of this Agreement including payment of any stamp duty (if any) and less any sums paid to advisers and introducers (if any and as applicable). - (b) the amount payable as an Annual Payment shall be subject in all respects to the discretion of the Manager, having regard to the amount of cash available in the applicable Portfolio Companies and/or potential transferees of the applicable Shares and the terms of Clause 4.10;
- (c) subject to Clause 4.10, the Manager shall use its reasonable endeavours to facilitate payment of the Annual Payment, it being acknowledged that the amount payable will be calculated with reference to the Published Reference Value of the applicable Shares being cancelled, sold or transferred as a whole and therefore the amount paid may be slightly higher or lower than the requested amount;
- (d) Subject to Clause 4.10, the Manager shall use its reasonable endeavors to facilitate the payment of the Annual Payment in February of the year following the year in which the Annual Payment Request is received (or as reasonably practicable thereafter) and in February of each year thereafter;
- (e) any Annual Payment Request shall be deemed to remain effective until withdrawn by the Investor in writing addressed to the Custodian and Manager or superseded by a subsequent Annual Payment Request for a different amount. In any period where the Investor serves more than one Annual Payment Request, the latest valid Annual Payment Request received by the Manager shall govern and be acted upon by the Manager.

4.6. Drawdown Payments

The Investor has the right to request that the Manager and Custodian realise the proceeds from a cancellation, sale or transfer of Shares in the Investor's Portfolio for a certain value linked to the growth in the value of the Investor's Portfolio (a Drawdown Election) on the following terms:

- (a) the Investor shall make a Drawdown Election by submitting to the Manager the applicable Payment Request Form or making the Drawdown Election in the Investor's Application Form;
- (b) the amount of the Drawdown Payment shall be equal to the amount by which the Investor's Shares have increased in value calculated (by reference to the NAV of such Shares) from the value on 31 December in any applicable year compared with the NAV of the same Shares on 31 December in the previous year, provided that the first Drawdown Payment shall be equal to the amount by which those Shares have increased in value calculated (by reference to the NAV of such Shares) from the value on 31 December in the applicable year compared with the NAV of the same Shares on the later of the date on which such Shares were acquired for the Investor's Portfolio or the date on which the Drawdown Election was received by the Manager;
- (c) the Manager shall make the payments of the sum realised from the Drawdown Election in respect of a particular year, after the deduction of any applicable Exit Fee, in February of the following year, commencing on the February after the date of receipt of the applicable Drawdown Election (provided the Drawdown Election is received on or before 31

December in the previous year); and

- (d) subject to Clause 4.10, the Manager shall use its reasonable endeavours to facilitate payment of the Drawdown Payment, it being acknowledged that the amount payable will be calculated with reference to the Published Reference Value of the applicable Shares being cancelled, sold or transferred as a whole and therefore the amount paid may be slightly lower than the exact increase in value specified in Clause 4.6(b).

4.7. Withdrawals

The Investor has the right to request that the Manager and Custodian realise the proceeds from a cancellation, sale or transfer of Shares in the Investor's Portfolio for a certain value (a Withdrawal Request) on the following terms:

- (a) the Investor shall be entitled to make a Withdrawal Request at any time in writing by submitting to the Manager a Payment Request Form for a Withdrawal specifying the requested value of the Withdrawal;

4.8. Redemptions

Provided Investments have been held for a minimum of twelve (12) months (although this is subject to the Manager's discretion and the provisions of Clause 4.10), the Investor has the right to request that the Manager and Custodian realise the proceeds from a cancellation, sale or transfer of his or her entire Portfolio and terminate this Agreement (a Redemption Request) on the following terms:

- (a) the Investor shall be entitled to make a Redemption Request at any time in writing by submitting a Payment Request Form to the Manager for Redemption;
- (b) save as otherwise specified, this Agreement will terminate and the provisions of Clause 19.4 will apply;
- (c) subject to Clause 4.10, the Manager shall use its reasonable endeavours to facilitate payment in satisfaction of the Redemption Request within 1-6 calendar months following the receipt of such request, it being acknowledged that the process may take longer than 6 calendar months;
- (d) the amount payable in response to a Redemption Request shall be subject to the Manager's appraisal of the amount of cash available from the applicable

Portfolio Company and/or potential transferees of the applicable Shares from time to time, which may necessitate Redemption by instalments;

- (e) the amount payable on a Redemption will be calculated with reference to the Published Reference Value of the applicable Shares being cancelled, sold or transferred as a whole;
- (f) the Manager's entitlement to the Investment Fee, the Dealing Fee and Exit Fee shall survive termination of this Agreement under this Clause 4.8.

4.9. Valuation of Shares

A calculation of Net Asset Value will be made by the Manager in respect of the Shares of each Portfolio Company in the Investor's Portfolio on no less than a quarterly basis and once calculated, each Net Asset Value will be published as soon as reasonably practicable. All transactions involving Shares being issued to the Investor's Portfolio or being sold, transferred or cancelled by, or at the direction of, the Manager (including by way of a capital reduction of a Portfolio Company's share capital for the purposes of the realisation of any of the Investor's Investment) pursuant to the terms of this Agreement shall be executed with reference to the Published Reference Value of the applicable Shares.

4.10. In respect of any Payment Request:

- (a) satisfaction of all Payment Requests are subject to the discretion of, and not binding upon, the Manager which shall be entitled to determine the timing and process for such Payments;
- (b) any Payments shall be reduced: (i) if necessary to ensure that the aggregate value of the Portfolio (calculated by reference to the Published Reference Value of the applicable Shares in each Portfolio Company in the Investor's Portfolio after the payment is made) shall not be less than £10,000 (except on Redemption); and (ii) by the Exit Fee and/or any other costs and expenses that are payable in accordance with this Agreement; and
- (c) in the event that the Manager elects in its discretion, and in accordance with this Agreement, not to realise any Shares in an Investor's Portfolio in response to a Payment Request, it shall promptly notify the Investor of such election and offer to the Investor the opportunity to:
- (i) withdraw the applicable Payment Request;
- (ii) make an alternative form of Payment Request (in which case the applicable terms of this Agreement shall apply to such alternative Payment Request as if the alternative Payment Request was validly made by the Investor on time); or
- (iii) allow the Investor to withdraw the applicable Shares from his or her Portfolio and from the management and control of the Manager by way of having transferred to the Investor the entire legal and beneficial ownership of the applicable Shares (and in the case where those shares constitute the Investor's entire Investment, this Agreement shall terminate and the provisions

of Clause 19.4 shall apply). For the avoidance of doubt, any Shares held in the name of the Investor that are not the subject of such withdrawal and transfer shall continue to be held in accordance with the terms of this Agreement.

5. Subscription

- 5.1. In order to subscribe to the Service, the Investor must make a Subscription of at least £25,000 at the same time as submitting his or her Application Form (subject to the Manager's discretion to accept a lower subscription) and the Investor has the option to nominate the Original Chosen Percentage in his or her Application Form.
- 5.2. Subject to the Manager's discretion, the Investor may make further Subscriptions of no less than £10,000 at any time.
- 5.3. The Custodian will hold Subscriptions until the Manager has completed its money laundering checks in respect of an Investor to its satisfaction. The Manager shall use its reasonable endeavours to deploy the full amount of a Subscription (less the Investment Fee and Dealing Fee) into Shares within twenty one (21) business days of the satisfaction (as determined by the Manager in its sole discretion) of all conditions to completion of a Subscription. Pending their application for Shares, Subscriptions received will be deposited in a bank account with the Custodian. The Subscription and any cash amounts held for an Investor's Portfolio by the Custodian from time to time will not bear interest.
- 5.4. The Investor acknowledges that the investment in, and disposal of, Shares by the Manager or the Custodian is at the Investor's risk and that neither the Manager nor any Custodian or Nominee, nor any director or officer of (or member of the same Group as) any of them, will be liable to the Investor in the event of any loss in value of such Investments or the insolvency of any bank with which Investor's funds are deposited, nor will they be so liable in the event of any restriction on their ability to withdraw funds from such bank or dispose of or realise Shares for reasons beyond the reasonable control of any of them.

6. Manager services

- 6.1. The Manager will manage the Investor's Subscription (less the Investment Fee and Dealing Fee) and Portfolio and exercise all discretionary investment powers in relation to the selection of or exercising rights relating to Investments including, for the avoidance of doubt, any issue, sale, cancellation, transfer or acquisition of Shares for the Investor's Portfolio and any conversion, subscription, voting or other rights relating to Investments (and the Investor hereby irrevocably authorises and empowers the Manager in this regard), in each case in accordance with the Investment Strategy in furtherance of the Investment Objectives and upon,

and subject to, the terms of this Agreement.

- 6.2. The Investor acknowledges and agrees that the Custodian is not obliged to seek or accept any instruction or direction directly from the Investor in respect of the Custodian's execution of instructions from the Manager relating to the exercise of the Investor's rights relating to Investments and the Investor acknowledges and agrees that the Manager is authorised on behalf of the Investor to instruct or direct the Custodian to receive, distribute or transfer Investments including the Investor's cash on the basis set out in Clause 7.3, and otherwise liaise with the Custodian on the basis set out in Clause 7.
- 6.3. The Manager will not, except as expressly provided in this Agreement or unless otherwise authorised by or on behalf of the Investor, have any authority to act on behalf of, or in respect of, the Investor or to act as the agent of the Investor.
- 6.4. The Tax Benefits are dependent on an Investor's personal circumstances and Applicable Laws. The Manager does not provide legal, tax, financial or other advice and the Investor should seek independent advice to determine and understand the suitability of subscription to the Service, the Investment Strategy and any effect that this may have on the Investor's position generally.

7. Custodian services

- 7.1. The Manager will arrange for the Custodian to provide the Custodian Services in relation to the Investor's Subscription and assets held in the Investor's Portfolio and for the Custodian and the Nominee to provide the Nominee Services. The Custodian will act as custodian of the cash and other assets in the Portfolio and the Nominee will be the legal owner of applicable Shares and retain certain registers in respect of the same. The Custodian will operate and maintain an account in the name of the Policyholder for the proceeds of a successful claim under the Insurance Policy and the Policyholder is authorised to instruct the Custodian to receive, distribute or transfer any such proceeds in accordance with the Settlement.
- 7.2. The Manager will provide a copy of the Custodian Agreement and/or Nominee Agreement to the Investor as soon as reasonably practicable upon written request.
- 7.3. By accepting the terms of this Agreement, the Investor agrees that:
 - (a) the Manager is authorised to enter into the Custodian Agreement and Nominee Agreement on the Investor's behalf as the Investor's agent, to give instructions to the Custodian and Nominee and to agree any subsequent amendments to the Custodian Agreement and/or Nominee Agreement on the Investor's behalf, provided that the Manager notifies the Investor of such amendments in accordance with the FCA rules;

- (b) the Investor is bound by the terms of the Custodian Agreement and Nominee Agreement and the Investor has read and are bound by the Custodian and Nominee Investor Terms and Conditions and Custodian Privacy Policy;
 - (c) the Custodian and Manager are each authorised to transfer cash or Investments from the Investor's account to meet the respective fees and settlement under this agreement or other obligations under the Custodian Agreement and the fees of the Custodian under the Nominee Agreement; and
 - (d) the Custodian and Policyholder are each authorised to transfer the proceeds of a successful claim under the Insurance Policy in accordance with the Settlement.
- 7.4. Under the Custodian Agreement, the Investor will remain the customer of the Manager, but will also become a customer of the Custodian for settlement nominee and custody purposes only. The Manager retains responsibility for compliance and regulatory requirements regarding the management of the Investor's Subscription and Portfolio. Neither the Custodian nor the Nominee provides investment advice, gives advice or offers any opinion regarding the suitability of any transaction. The Investor should direct all enquiries regarding the Service to the Manager and not to the Custodian or the Nominee. The Custodian and the Nominee will not accept instructions from the Investor directly.
- 7.5. The Manager is authorised at any time to replace the Custodian with an alternative custodian that is, in the Manager's opinion, suitable for the Service and capable of providing the settlement nominee and custody services described in the Brochure and/or to vary the terms from time to time, or terminate, the Custodian Agreement or Nominee Agreement. In each case, the Manager will endeavour to ensure that it does so on terms no less beneficial to the Investor. For the avoidance of doubt, in the event the Custodian is replaced then the Manager is authorised on behalf of the Investor to instruct the Custodian to transfer Investor's cash and/or Investments to a client money cash account or similar account operated and maintained by the replacement Custodian and approved by the FCA in accordance with the FCA's Client Assets Sourcebook and the Policyholder is authorised to instruct the Custodian to transfer the proceeds of a successful claim under the Insurance Policy to an account operated and maintained by the replacement Custodian in the name of the Policyholder or, pursuant Clauses 7.1 and 7.3(d), in accordance with the Settlement.
- 7.6. The Investor acknowledges that although the Custodian will not co-mingle securities with its own property, the Custodian may co-mingle the securities with securities held for other clients. In addition, securities deposited with a delegate of the Custodian or Nominee may be held in an omnibus account by the delegate of the Custodian or Nominee (as the case may be). In each case individual client entitlements may not be identifiable by separate certificates, or other

physical documents by title, entries on the register or equivalent electronic records. If there is an irreconcilable shortfall following any default by the Custodian or the Nominee or a delegate of the Custodian or Nominee, the Investor may not receive their full entitlement and may share in the shortfall pro rata among the Custodian's or Nominee's (as the case may be) other clients or the delegate's other clients.

8. IEP care service

- 8.1. The Investor has the right to access the IEP Care Service for the duration of the period in which the Manager manages the Investor's Investment in accordance with the terms of this Agreement. The Manager will arrange for the Care Adviser to provide the IEP Care Service to the Investor and the Investor's direct family on the terms of this Clause 8, Schedule 4 to this Investor Agreement and the terms of the Care Adviser Agreement.
- 8.2. By accepting the terms of this Agreement, the Investor agrees that:
- (a) the Manager:
 - (i) has entered into the Care Adviser Agreement so the IEP Care Service could be provided to the Investor and for the Investor's benefit,
 - (ii) could give instructions to the Care Adviser in respect of the provision of the IEP Care Service; and
 - (iii) may agree subsequent amendments to the terms of the Care Adviser Agreement; and
 - (b) the Manager is entitled to request that an Associate of the Manager assumes the Manager's obligation to pay the Care Adviser any fees to which the Care Adviser may be entitled under the Care Adviser Agreement provided that such fees shall only be paid out of the sums such Associate of the Manager receives as either Management Fee or Administration Fee and will not be borne by any Portfolio Company or Associate of a Portfolio Company, it being acknowledged that the Manager will remain primarily liable to pay such fees.
- 8.3. The Investor acknowledges and agrees that the Manager does not itself provide the IEP Care Service nor does the Manager provide advice or offer any opinion regarding the suitability of, the need for, or any other element of, the provision of care to the Investor, nor in respect of the Investor's (and/or the Investor's family's) rights and/or options in relation to the same. The Manager is accordingly not responsible for any advice given by the Care Adviser. The Investor should direct all enquiries regarding the IEP Care Service to the Care Adviser and not to the Manager.
- 8.4. Under the Care Adviser Agreement, the Investor will be entitled to access the IEP Care Service as specified in Clause 8 and Schedule 4 to this Investor Agreement. The Manager retains responsibility for

compliance and regulatory requirements regarding the management of the Investor's Subscription and Portfolio. The Care Adviser does not provide investment advice, give advice or offer any opinion regarding the suitability of any transaction involving the Investor's Investment or Portfolio. The Investor should direct all enquiries regarding the Service (save for enquiries about the IEP Care Service) to the Manager and not to the Care Adviser.

- 8.5. The Manager is authorised to replace the Care Adviser with a suitable alternative care adviser at any time and/or to vary the terms of the Care Adviser Agreement from time to time, and the Manager is entitled to terminate the Care Adviser Agreement upon notice at any time. In each case, the Manager will use its reasonable endeavours to ensure that it does so on terms no less beneficial to the Investor, however, the Investor acknowledges that the number of businesses providing care advisory services is limited and that there may be a delay in appointing, or (having used its reasonable endeavours) the Manager may never be in a position to appoint, a suitable alternative care adviser on terms which are within reasonable commercial parameters.

9. Delegation and assignment

- 9.1. The Manager and the Policyholder may engage agents, including Associates, to perform any administrative, custodial or ancillary services to assist the Manager in managing the Service, and assist the Policyholder in arranging or administering (or both) the Insurance Policy. The Manager and the Policyholder will act in good faith in the selection, use and monitoring of such agents and Associates, but otherwise will have no liability in respect of such agents and Associates. Any such engagement of agents and Associates will not affect the liability of the Manager or the Policyholder under the terms of this Agreement.
- 9.2. The Manager or the Policyholder may replace, substitute, assign or novate this Agreement to any appropriately authorised and regulated entity which is its Associate, and agrees to notify the Investor of such replacement, substitution, assignment or novation. The Manager or the Policyholder (and any of its duly appointed delegate or attorney), in acting within the terms of this Agreement, is duly authorised and empowered to approve, execute and/or deliver any and every such instrument or document for and on behalf of the Investor.
- 9.3. This Agreement is personal to the Investor and the Investor may not assign it.

10. Potential conflicts of interest and disclosure

- 10.1. The Manager, the Policyholder, the Nominee and the Custodian may provide services similar to IEP

Apex, the relevant services provided by each of them under this Agreement or any other services whatsoever to any other of their respective customers (including, without limitation, services similar to those being provided to the Investor under this Agreement, for example in relation to investments in Portfolio Companies on behalf of other clients) and none of the Manager, the Policyholder, the Nominee or the Custodian will in any circumstances be required to account to the Investor for any profits earned in connection therewith. So far as is deemed practicable by the Manager, the Policyholder, the Nominee or the Custodian, the Manager, the Policyholder, the Nominee or the Custodian will use all reasonable endeavours to ensure fair treatment as between the Investor and other customers in compliance with the FCA Rules.

- 10.2. The Investor confirms that he understands that the Manager will invest in Portfolio Companies whose board may include employees of an entity that is an Associate of the Manager and whose management may be outsourced to the Manager or an Associate of the Manager.
- 10.3. A summary of the Manager's conflicts of interest policy, which details how the Manager identifies and manages conflicts of interest, is set out in Schedule 2.

11. Manager authorisation, client categorisation, investor confirmations and obligations

- 11.1. Whether or not the Investor has been categorised as a professional client by his or her adviser for the purposes of the services provided by that adviser to the Investor in connection with his or her application to the Service (which may have included a personal recommendation by that adviser) the Investor is, nevertheless, categorised by the Manager as a "Retail Client" for the purposes of the services provided under this Agreement constitutes a "Client Agreement" for the purpose of the FCA Rules. The Investor has the right to request categorisation as a "Professional Client" by the Manager in connection with the Services. However, if the Investor does so and if the Manager agrees to such categorisation the Investor will lose certain protections afforded by FCA Rules. This may include, but may not be limited to the following:
- (a) Disclosures: Additional disclosures which must be provided to Retail Clients need not be provided to Professional Clients (for example, on costs, commissions, fees and charges, foreign exchange conversion rates and certain information on managing investments).
- (b) Suitability: When it is necessary to assess the suitability of an investment for the Investor, the Manager can assume that a Professional Client has the necessary experience and knowledge to understand the risks involved and in certain circumstances can assume it is able financially to bear any investment risks as set out in this Brochure.

- (c) Best execution: The obligation to obtain the best possible result when executing an order on behalf of an Investor differs in its application between Retail Clients and Professional Clients.
- (d) Periodic statements: A Retail Client is entitled to receive more detailed information in periodic statements than a Professional Client, and a Retail Client may request to receive a statement of the Published Reference Value every three months.
- (e) The Financial Ombudsman Service (FOS): FOS is a point of referral under which certain complaints relating to regulated activities may be resolved quickly and with minimum formality by an independent person. Only Retail Clients are entitled to refer complaints to FOS.
- 11.2. The Investor confirms that they are suitably knowledgeable of the risks associated with non-Readily Realisable Investments.
- 11.3. The Investor confirms that he or she is not seeking advice from the Manager on any aspect of any investment in respect of the Service, including the Investment Strategy, the Investment Objectives or, if applicable, the Original Chosen Percentage nominated by the Investor in the Application Form, or in relation to the decision to subscribe to the Service or in respect of any such matters as may subsequently be amended or altered pursuant to this Investor Agreement.
- 11.4. The Investor agrees that the Manager and the Policyholder may hold information about him or her and the Investor's affairs in order to verify the Investor's identity and financial standing or otherwise in the performance of the service (among other things the Manager may consult a credit or mutual reference agency, which may retain a record of the enquiry) or in connection with the Insurance Policy (among other things the Policyholder will pass information regarding the Investor and their responses to the Health Declaration to the Insurer in connection with the Insurance Policy).
- 11.5. The Manager and the Policyholder each has a duty, on an ongoing basis, to comply with the anti-money laundering provisions of the Proceeds of Crime Act 2002, the Money Laundering Regulations 2019 and the FCA Rules and to perform appropriate sanctions checks in accordance with applicable sanctions, prohibitions or restrictions under Applicable Law, United Nations resolutions, or the trade and economic sanctions, law and regulations of the European Union or the United States of America (such legislation referred to in this Clause, together, the Relevant Financial Rules).
- 11.6. To ensure compliance with the Relevant Financial Rules, the Manager and the Policyholder must therefore verify the Investor's identity and, if applicable, report suspicious transactions to the appropriate enforcement agencies. If the Investor does not provide the identity verification information when requested by the Manager or the Policyholder, or the results of any verification and checks referred to in Clause 11.5 would result at any time in exposing the Manager, the Policyholder or the Insurer to a risk of breaching the Relevant Financial Rules by its provision of the services under this Agreement or relating to the Insurance Policy, the Manager, the Policyholder or the Insurer may be unable to accept any instructions from the Investor, or provide the Investor with such services or any services or cover in relation to the Insurance Policy (including without limitation the provision of cover or a benefit, or the payment of a claim, under the Insurance Policy).
- 11.7. The services provided under this Agreement to the Investor are on the basis of the declaration made by the Investor in the Application Form, which includes the following statements by the Investor:
- (a) the Investor wishes to seek BR for the Investments;
- (b) the Investor agrees to notify the Manager if he/she is or becomes a US Person or becomes a resident for tax purposes of any jurisdiction other than the UK;
- (c) the Investor confirms that the information stated in the Application Form, including for the avoidance of doubt the Investor's answers given on the Health Declaration, is true and accurate as at the date of signing the Application Form and will be true and accurate as at the date of this Agreement; and
- (d) the Investor confirms, if applicable, that he or she has not relied on the Manager in choosing his or her Original Chosen Percentage in the Application Form, he or she cannot modify the Original Chosen Percentage 14 days after the Manager accepts the Investor's Application Form and the Manager has no obligation to continue to make adjustments to the way the Investment is allocated between the different industry sectors to maintain the Original Chosen Percentage throughout the life of the Investment.
- 11.8. The Investor must, as soon as practicable but in no event later than 14 days from the date of such change, inform the Manager in writing of any material change in circumstance and any change in the information provided in the Application Form to which Clause 11.7 refers.
- 11.9. The Investor shall provide the Manager with any information that the Manager reasonably requests for the purposes of providing the Service pursuant to the terms of this Agreement.

12. Investment objectives

- 12.1. In managing the Service, the Manager will at all times have regard to and shall use its reasonable endeavours to comply with the Investment Objectives when seeking to execute the Investment Strategy and to comply with Applicable Laws.
- 12.2. The Manager reserves the right to return any surplus of cash if it concludes that it cannot be invested in appropriate investments, and it considers this to be in the best interests of the Investor.
- 12.3. In the event of a gradual realisation of Investments

prior to termination of the Service under Clause 19, the cash proceeds of realised Investments may be placed on deposit (in a client account which does not bear interest).

13. Terms applicable to dealing

- 13.1. The Investor agrees and accepts that the Portfolio may be invested in a range of unlisted securities and that such securities generally do not trade on a Regulated Market or Multi-Lateral Trading Facility. The Investor acknowledges there is no certainty that market makers will be prepared to deal in such securities and adequate information for determining the current value of such securities may be unavailable. The Manager will ensure that transactions in unlisted securities will be effected on the best commercial terms which can be secured.
- 13.2. The Investor acknowledges that the Subscription Value will be applied in the acquisition of the nearest possible whole number of Shares as may be acquired at the price which is calculated by reference to the Published Reference Value at the relevant time.
- 13.3. Subject to both the FCA Rules and the Manager's policy on the management of conflicts of interest, the Manager may make use of dealing commission arrangements in respect of deals undertaken by the Manager as may be disclosed to the Investor from time to time.
- 13.4. Subject to the FCA Rules the Manager will act in good faith and with due diligence in its choice and use of counterparties but, subject to this obligation, will have no responsibility for the performance by any counterparty of its obligations in respect of transactions effected under this Agreement.
- 13.5. The Manager shall take all reasonable steps to obtain the best possible result when executing orders on an Investor's behalf. This duty of best execution is owed by the Manager to an Investor only when the Manager has contractual or agency obligations to an Investor. An Investor should familiarise himself with the Best Execution Policy, provided at Schedule 3. The Manager is required to obtain each Investor's consent to this policy, which will be demonstrated by the relevant Investor submitting a completed Application Form to the Manager.
- 13.6. The Manager may aggregate an Investor's transactions for the Service with those of other customers and of its employees, in respect of transactions in Shares in which the Investor's Portfolio is invested in accordance with the FCA Rules. It is unlikely that the effect of such an allocation will work to an Investor's disadvantage; however, occasionally this may not be the case. The Manager will allocate aggregated transactions promptly on a fair basis in accordance with the requirements of the FCA Rules.

14. Reports and information

- 14.1. The Manager, in accordance with FCA Rules, will provide the Investor with a periodic statement at least once every three months and will provide reports which will include a measure of the Portfolio's performance.
- 14.2. The Manager will endeavour to supply such further information, which is in its possession or under its control as the Investor may reasonably request in writing, upon reasonable notice and subject to any overriding duty of confidentiality to which the Manager may be subject in respect of the same.
- 14.3. The Investor confirms that confirmation of every transaction completed in respect of his or her Portfolio is not required. The Manager confirms and the Investor accepts that periodic statements sent by the Manager will include such information as is prescribed by the FCA Rules for confirmation of trades.

15. Fees and expenses

- 15.1. In consideration of the performance of the Service under this Agreement, the Manager will receive the Investment Fee and the Dealing Fee (as applicable) and the Policyholder will receive a share of that amount in relation to its costs in connection with this Agreement. For the avoidance of doubt, the Investor shall have no obligation to pay any premium, fees or charges to the Insurer in connection with the Insurance Policy, with all such amounts being paid by the Policyholder.
- 15.2. The Custodian will receive fees for the provision of the Custodian Services and Nominee Services, and reimbursement of its costs and expenses, under the Custodian Agreement and/or Nominee Agreement.
- 15.3. The Manager or an Associate of the Manager will be separately engaged by the Portfolio Companies to provide assistance in connection with the administration of the Portfolio Companies, including back office services and assistance in connection with the lending activities as required in consideration of which, it will receive one or more of the Management Fee and/or the Administration Fee.
- 15.4. The Management Fee will, in relation to an Investor's Portfolio:
 - (a) accrue on a daily basis and be paid in arrears at the end of each quarter; and
 - (b) remain payable to the Manager or the relevant Associate of the Manager by each Portfolio Company that enters into an agreement with that entity in accordance with the terms thereof, notwithstanding any Redemption Request served pursuant to Clause 4.8.
- 15.5. The Administration Fee will:
 - (a) be charged annually by the Manager or the applicable Associate of the Manager to Portfolio Companies for provision of administrative services;

- (b) accrue on a daily basis and be paid in arrears at the end of each quarter of the Service's year, or on Redemption, if earlier; and
- (c) remain payable to the Manager by each Portfolio Company that enters into an agreement with that entity in accordance with the terms thereof, notwithstanding any Redemption Request served pursuant to Clause 4.8 provided that the amount payable upon Redemption (and deducted from the Redemption sum paid to the Investor) will be calculated as the pro rata portion of the full Administration Fee that has accrued on a daily basis since the last quarterly payment thereof.
- 15.6. An Exit Fee will be payable by the Investor when Shares are sold.
- 15.7. The Manager and/or an Associate of the Manager may provide or procure certain administration, management and other services, including custodian, nominee or similar services (as applicable), to or on behalf of the Investor and/or some or all of the Portfolio Companies (as applicable), including for example legal, accounting, company secretarial, taxation, audit, administration and transactional services, and assistance in the sourcing of opportunities, due diligence, monitoring and day-to-day trading operations, in consideration of which such companies shall be entitled to charge or recover (as the case may be) their reasonable costs and/or fees (save for those that are otherwise paid for from the Administration Fee).
- 15.8. The Manager shall maintain and regularly review conflict of interest management policies which are designed to ensure that the fee payment arrangements should not create any potential conflict of interest in respect of its obligations to its customers in providing discretionary management services and arranging related custody services for those customers' portfolios of investment in Portfolio Companies.
- 15.9. Any Subscription monies returned to the Investor will be returned net of any commission paid by the Manager to the Investor's financial adviser.
- the amount of the Sum Insured;
- (b) if applicable, make claims under the Insurance Policy subject to and in accordance with this Clause 16; and
- (c) to the extent only that the Policyholder has received proceeds of a successful claim under the Insurance Policy from the Insurer in relation to the Investor, pay such proceeds to the Investor's Beneficiaries.
- 16.4. The Insurance Policy has been taken out in the Policyholder's name with the benefit relating to the Investor of cover under the Insurance Policy being assigned to the Policyholder under the terms of the Settlement.
- 16.5. Provided that the Investor meets the Eligibility Criteria, cover under the Insurance Policy will commence on the date on which Shares are acquired for the Investor's Portfolio. For the avoidance of doubt, where an Investor dies after sending a completed, signed and dated Application Form but prior to the date on which Shares are acquired for the Investor's Portfolio, the Investor will not be covered under the Insurance Policy.
- 16.6. Where a joint application is made, both joint Investors must meet the Eligibility Criteria. Cover is provided on a joint life second death basis, so that a claim will only be paid following the death of both of the joint Investors.
- 16.7. The Sum Insured under the Insurance Policy will be 40% of the Subscription Value up to £500,000 (i.e. a Maximum Sum Insured of £200,000) whether or not the investment is by one Investor or joint Investors, less any subsequent Redemptions or Withdrawals (save in respect of any Withdrawal to pay any ongoing adviser or Manager charges with respect to the Subscription) and subject to the Insurance Policy terms and conditions. The maximum Sum Insured of £200,000 applies in aggregate across all of the Investor's Subscriptions in relation to IEP Apex.
- 16.8. Only the Policyholder will be able to claim under the Insurance Policy and neither the personal representatives of the Investor's estate nor the Beneficiaries will have any right to claim (directly or indirectly) under the Insurance Policy.
- 16.9. By signing the Application Form, the Investor (and where a joint application is made, each Investor) warrants and confirms that as at that date he/she satisfies the Eligibility Criteria set out in Schedule 1 and the Key Policy Terms in Schedule 5.
- 16.10. If the Investor or, in the case of joint Investors, both joint Investors, dies during the Term of Insurance:
- (a) the personal representatives of the Investor's estate will be required as soon as reasonably practicable to notify the Policyholder. Following notification, the Policyholder will send the personal representatives a claim form from the Insurer and the personal representatives must complete and return the claim form to the Policyholder together with the original version of the Investor's death certificate. The Policyholder will not submit a claim under

16. Insurance Cover

- 16.1. The Policyholder will not, except as expressly provided in this Agreement or unless otherwise authorised by or on behalf of the Investor, have any authority to act on behalf of, or in respect of, the Investor or to act as the agent of the Investor.
- 16.2. The Policyholder has taken out a group insurance policy with the Insurer as set out in the Brochure and Schedule 5 of this Agreement.
- 16.3. The Policyholder will use reasonable commercial endeavours to:
- (a) procure that cover under the Insurance Policy includes the Investor as set out in the Brochure and Schedule 5 of this Agreement, including without limitation, up to

the Insurance Policy without receipt of a correctly completed claim form and the original version of the death certificate; and

- (b) the personal representatives of the Investor may be required, on request from the Insurer, to provide further information or documentation in connection with a claim. This may include (but is not limited to) proof of the Investor's age at the time that the Investor signed the Application Form and when Shares for the Investor were allotted, medical reports and records, coroners and/or police reports, and such other information as the Insurer may reasonably require to assess the claim.

16.11. Where the Policyholder receives a request from the Insurer set out in Clause 16.10(b), the Policyholder will forward such requests to the personal representatives of the Investor's estate, and it will be the responsibility of the personal representatives to collate, respond and provide all such information and documentation as requested by the Insurer to the Policyholder or its Associates for the Policyholder or its Associates to forward the information or documentation to the Insurer.

16.12. The Policyholder will not have any responsibility to progress a claim under the Insurance Policy other than as set out in this Agreement and only where the personal representatives of the Investor's estate have provided the information requested as set out in Clause 16.10 and 16.11. To the extent that the personal representatives of the Investor's estate are unable to provide the information requested, the claim under the Insurance Policy may fail (or the payment of a successful claim may be delayed).

16.13. The Policyholder will not have any responsibility to progress a claim under the Insurance Policy, the Insurance Policy will not respond to a claim, and cover under the Insurance Policy in respect of an Investor will terminate where:

- (a) the Investor did not meet the Eligibility Criteria or, in the case of joint Investors, either of the joint Investors did not meet the Eligibility Criteria;
- (b) the death of the Investor (or either joint Investor) resulted directly or indirectly from the Investor's suicide, assisted suicide or intentional self-injury;
- (c) the Investor (or either joint Investor) provided false information in respect of age, country of residence or any answers given on their Health Declaration;
- (d) the Investor (or either joint Investor) or the personal representatives of the Investor's estate make a fraudulent claim to the Policyholder or the Insurer; or
- (e) the provision of the insurance, or the payment of any claim or benefit by the Insurer under the Insurance Policy would expose the Insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

16.14. The Policyholder will only be obliged to pay the proceeds of a successful claim under the Insurance

Policy to the Investor's Beneficiaries to the extent that the Policyholder receives such proceeds from the Insurer. This means that if, for whatever reason, the Insurer is unable or unwilling to pay a claim in relation to an Investor, the Policyholder will have no obligation to make any payment to the Investor's Beneficiaries.

16.15. Other than as set out in Clause 16.14, the Policyholder will have no direct or indirect liability to make any payment to the Investor's estate and/or the Beneficiaries.

16.16. The Investor hereby acknowledges that:

- (a) the cover under the Insurance Policy will commence on the date on which Shares are acquired for the Investor's Portfolio and will terminate on the expiry of the Term of Insurance or, if earlier, the date this Agreement is terminated or the Investor makes a Redemption;
- (b) if the Investor makes a Redemption prior to the expiry of the Term of Insurance, the cover under the Insurance Policy will cease on the date the Redemption is made;
- (c) the Sum Insured is based on the Subscription Value less any subsequent Withdrawals, rather than the value of the Portfolio at the time of the Investor's death. The Sum Insured may be less than the amount to which the Investor's estate is subject to IHT in respect of the applicable Shares held in the Investor's Portfolio;
- (d) the maximum Sum Insured is £200,000 across all of an Investor's Subscriptions in relation to IEP Apex and if the Investor makes a Withdrawal during the Term of Insurance (other than to meet ongoing adviser charges), the Sum Insured under the Insurance Policy will be reduced proportionately;
- (e) the Policyholder will not be obliged to pay any claim to the Investor's Beneficiaries if it has not received the proceeds in relation to that claim from the Insurer. Neither the Policyholder nor any Associate of the Policyholder gives any representation or warranty as to the solvency or ability to pay claims of the Insurer or anyone acting on its behalf; and
- (f) the Custodian is not obliged to seek or accept instructions or direction directly from the Investor and/or the Beneficiaries in respect of the proceeds of a successful claim under the Insurance Policy and the Policyholder is authorised to instruct the Custodian to receive, distribute or transfer the proceeds of a valid claim under the Insurance Policy in accordance with the Settlement.

16.17. By signing the Application Form and upon Shares being acquired for the Investor's Portfolio, the Investor automatically assigns its beneficial interest in the Insurance Policy to the Policyholder as trustee on the terms of the Settlement and the Policyholder hereby accepts the role of trustee of the Settlement and with the powers and discretions more particularly set out therein. The terms of the Settlement are set out in Schedule 6.

16.18. The Investor shall provide the Policyholder with any information that the Policyholder or the Insurer reasonably requests for the purposes of the Insurance Policy or the administration and other services provided by the Policyholder under this Agreement in connection with the Insurance Policy or the Settlement.

17. Statement of demands and needs

- 17.1. By signing the confirmation within the Application Form, the Investor agrees that the Insurance Policy meets the general demands and needs of an Investor that wants to reduce their Beneficiaries' inheritance tax liabilities should the Investor die during the Term of Insurance.
- 17.2. The Policyholder does not provide legal, tax, financial or other advice and the Investor should seek independent advice to determine and understand the suitability of the Insurance Policy and the Settlement and any effect that this may have on the Investor's position generally.
- 17.3. The Investor confirms that he is not seeking advice from the Policyholder on any aspect of the Insurance Policy or the Settlement, the terms of the Insurance Policy and the manner in which any payments by the Insurer under the Insurance Policy may be made to the Policyholder and subsequently by the Policyholder to the Investor's Beneficiaries.

18. Liability

- 18.1. Each of the Manager, the Policyholder and Custodian will at all times act in good faith and with reasonable care.
- 18.2. The Investor agrees that neither the Manager, Policyholder nor any Associate of the Manager or Policyholder shall have any liability to the Investor, the Beneficiaries or the Investor's estate for any direct or indirect loss, damage, costs, charges, expenses or other claims of whatsoever nature arising under, or in connection with, things done or omitted to be done by it or them pursuant to this Agreement, the Settlement or in connection with the Insurance Policy, including (but not limited to) loss or damage incurred as result of
- HM Revenue and Customs (HMRC) not granting Tax Benefits or withdrawing Tax Benefits previously claimed in relation to shares in Portfolio Companies,
 - any amounts payable by the Policyholder to the Beneficiaries being subject to inheritance tax charge or any other tax charge,
 - changes in legislation since the date of this Agreement, third party claims, and any failure or refusal by the Insurer or anyone acting on its behalf to settle any claim or pay any amount to the Policyholder in connection with the Insurance Policy, provided, that nothing in this Agreement will operate to exclude or

limit any liability of the Manager or Policyholder

- in respect of fraud on its or the applicable Associate of the Manager's or Policyholder's part, or
 - in respect of death or personal injury arising from its or their negligence, or
 - which otherwise cannot lawfully be omitted or excluded (including any duty or liability owed to the Investor under the FCA Rules), or
 - which is finally and judicially determined to have resulted from its or their wilful default or negligence.
- 18.3. The liability of each of the Manager, Policyholder and the applicable Associate of the Manager or Policyholder respectively under or in connection with this Agreement is limited to the fees paid to the Manager or the applicable Associate of the Manager (as the case may be) under Clause 15, to the extent permitted by COBS 2.5.
- 18.4. The Investor hereby undertakes to indemnify and keep fully and effectively indemnified the Manager and the Policyholder on demand from and against any and all liabilities, demands, actions, claims, proceedings, losses, damages, costs and expenses imposed upon, incurred by or asserted against either of them arising from or in connection with performance of its or their obligations under this Agreement or arising from breach by an Investor of any of its obligations or duties or representations it may be deemed to have given under this Agreement and/or the Application Form, provided that the Investor will not be required to so indemnify the Manager or the Policyholder where such liabilities, demands, actions, claims, proceedings, losses, damages, costs and expenses are finally and judicially determined to have been caused by the fraud, wilful default or negligence of the Manager or the Policyholder (as the case may be).
- 18.5. None of the Manager, any of the Associate of the Manager, the Custodian and/or the Nominee will be liable for the default of any counterparty, agent, banker, nominee, custodian or other person or entity which holds money, investments or documents of title for the Service provided that any such agent, banker, nominee, custodian, person or entity was selected, appointed or retained by the Manager in good faith and applying reasonable care.
- 18.6. The Investor acknowledges and agrees that:
- neither the Manager, nor any Associate of the Manager gives any representation or warranty as to the performance of the "Portfolio", or the success or failure to meet the Investment Objectives for the "Portfolio;" and the Investor has not relied upon any agreement, understanding or representation made to, by or with the Manager or any of the Associates of the Manager when entering into this Agreement or in his or her decision to make the Investment, or if applicable, his or her Original Chosen Percentage;
 - the Investor acknowledges that the Shares are not Readily Realisable Investments and as such are high

risk investments for which there is a restricted market and that it may be difficult to cancel or transfer the Investments or to obtain reliable information about their value; and

- (c) has considered the suitability of subscribing to the Service carefully, has not relied upon any advice from the Manager, and has read and accepts the contents of the risk factors and important information sections of the Brochure.
- 18.7. If the Custodian should fail, for any reason, to deliver any necessary documents or to account for any Investments or cash to the Manager, the Manager will take all reasonable steps on the Investor's behalf to recover such documents or Investments or any sums due or compensation in lieu thereof but, subject to the Manager's general duty of good faith, will not be liable for such failure.
- 18.8. Neither the Manager nor the Policyholder will be liable to the Investor for any failure, interruption or delay in the performance of the Manager's or the Policyholder's obligations under this Agreement resulting from any occurrence not reasonably within the Manager's or the Policyholder's control (including, but not limited to: acts or regulations of any governmental or supranational bodies or authorities; storm, accident or fire; lock-out or strike; breakdown, failure or malfunction of any telecommunications or computer service or services; and acts of war, terrorism or civil unrest). The Manager will not be liable to the Investor for any consequent impact on the Portfolio or any consequent damage or loss suffered or incurred by the Investor. In such circumstances, all amounts due to the Manager under this Agreement will continue to be paid as and when due.

19. Termination

- 19.1. In addition to the Investor's right to terminate this Agreement pursuant to the provisions of clause 4.8, the Manager may, at its discretion, determine the expiry of the Service and prior to such expiry the Manager will set, and notify the Investor of, an estimated date upon which the Service will come to an end and the Manager will begin to realise Investments (dependent on the liquidity of the particular Investments).
- 19.2. The Manager may at any time terminate this Agreement on no fewer than three months' written notice to the Investor or on immediate notice if required by any competent regulatory authority.
- 19.3. This Agreement will terminate if the Manager ceases to be appropriately authorised by the FCA or becomes insolvent and is not replaced by another appropriately authorised and regulated entity in accordance with Clause 9.2.

Investor may direct) and the Investor will be liable to pay the cost of any such transfers;

- (c) the Manager will use reasonable endeavours to complete all transactions in progress at termination expeditiously;
- (d) the Manager may retain and/or realise such Investments as may be required to settle transactions already initiated and to pay the Investor's outstanding liabilities, including any of the fees, costs and expenses referred to above; and
- (e) The Investor's cover under the Insurance Policy will terminate.
- 19.5. Termination will not affect any accrued rights, existing commitments or any contractual provision intended to survive termination and will be without penalty or other additional payments (save as set out in Clause 19.4).

Schedule 2: Conflicts of interest policy

1. What is a conflict of interest?

A conflict of interest may arise when providing a service or activity to a client and:

- we gain a benefit and there is also a possible disadvantage to the client; or
- one client, to whom we owe a duty of care, makes a gain or avoids a loss and there is an associated possible loss to another client.

We must take all reasonable steps to avoid conflicts of interest and, when they cannot be avoided, manage, monitor and (where applicable) disclose those conflicts of interest in order to prevent them from adversely affecting the interests of the Alternative Investment Funds (AIFs) and their investors, and to ensure that the AIFs they manage are fairly treated. To do this we will:

- maintain and operate effective organisational and administrative arrangements, with a view to taking all reasonable steps designed to identify, prevent, manage and monitor conflicts of interest in order to prevent them from adversely affecting the interests of the AIFs and their investors;
- segregate, within their own operating environment, tasks and responsibilities that may be regarded as incompatible with each other or that may potentially generate systematic conflicts of interest;
- assess whether their operating conditions may involve any other material conflicts of interest; and
- disclose them to the AIF's investors.

2. How do we identify conflicts of interest?

We must take all appropriate steps to identify, prevent or manage any conflicts of interest between:

- Ingenious, which includes our employees, directors, and any person directly, or indirectly, linked to our firm as a controller and our clients; and
- two clients of Ingenious
- Ingenious, including managers, employees or any person directly or indirectly linked to Ingenious by control, and an Alternative Investment Fund (AIF) managed by Ingenious or the investors in that AIF;
- an AIF or the investors in that AIF, and another AIF or the investors in that AIF;
- an AIF or the investors in that AIF, and another client of Ingenious; and
- clients of Ingenious.

2.1. What are appropriate steps?

As a minimum, we will consider the following factors to identify, if by providing the service or activity, we might:

- likely make a financial gain, or avoid a financial loss, at the expense of the client;
- have an interest in the outcome of a service or transaction provided to the client which is distinct from the client's interest in that outcome;
- have a financial, or other incentive, to favour the interest of another client, or group of clients, over the interests of the client;
- carry on the same business as the client; or
- receive, or will receive, from a person other than the client, an inducement relating to a service provided to the client, in the form of monies, goods, services, other than the standard commission or fee for that service.

2.2. Other situations where there may be conflicts of interest

Conflicts of interest may also result from other activities conducted by us or by other members of our group. We will also identify if there are conflicts in the following circumstances:

- when we are approving a new business line or product;
- if we consider any activities, or combination of activities, creates a heightened risk of conflicts impacting our client's interests – both at the start and during the client relationship.

2.3. New conflicts of interest

The Compliance Officer in conjunction with relevant investment staff and where relevant the Board will assess all new identified conflicts and make a decision whether:

- existing control mechanisms are sufficient to mitigate it;
- new/additional controls are required; and
- we should disclose the conflict to relevant clients so that they are able to take an informed decision as regards the related service.

3. Recording conflicts

We will keep and maintain a record of the types of services and activities carried out by us, or on our behalf, where a conflict has been identified that may result in a material risk of damage to the interests of our clients. This includes potential and actual conflicts and any that might arise when providing an ongoing service to our clients.

4. Managing conflicts

We will always put in place arrangements that demonstrate we have taken all appropriate steps to prevent a conflict from adversely affecting the interests of our clients. We use the following types of arrangements in place to mitigate our conflicts:

- a remuneration policy that sets out Ingenious' arrangements to ensure that our compensation arrangements will not give rise to conflicts;
- a staff dealing policy that sets the conditions under which its staff may engage in investment activity for their own account;
- an Inducements, gifts and hospitality policy that sets out Ingenious' arrangements. In general, Ingenious must not pay to, or accept from, a third party any fee, commission or other benefit in relation to business undertaken for a client;
- appropriate restrictions on outside interests, such as directorships of other companies;
- independent management structures and reporting lines which only meet at board level.

ICML maintains and operates effective organisational and administrative arrangements with a view to preventing conflicts of interest from constituting or giving rise to a material risk of damage to the interest of its clients.

These arrangements may include the following:

- Systems and controls – to try to prevent or limit any Employee from exercising undue influence over the way in which others carry out services or activities we use clear job descriptions, reporting lines and independent oversight and monitoring by Compliance and the Audit and Risk Committee;
- Insider List – ICML employees may come into sensitive information e.g. through confidentiality agreements with a firm, where ICML is planning or making a potentially sensitive transaction or where individuals are 'wall crossed' by other firms. Compliance maintains this information via an Insider List and advises on the appropriate measures to be put in place e.g. Information Barriers;
- Information Barriers - are the physical, control, administrative and cultural barriers designed to prevent the flow of confidential and insider information. They are commonly referred to as 'Chinese Walls'. ICML respects the confidentiality of information it receives about its clients operating a "Need to Know" approach and complying with all applicable laws with respect to the handling of that information. Chinese Walls are a key part of each Regulated Entity's conflicts management policy and are used to isolate the business area that has confidential information or inside information Where it can clearly be demonstrated that the Chinese Walls have been observed, then no other party on the 'other side' will be considered to have acted 'with knowledge' of the confidential information or inside information held by the other party. Chinese Walls operate at Regulated Entity level, both around and within each Regulated Entity. Where it is determined that ICML is unable to effectively manage an actual or potential conflict of interest which has arisen or may arise, ICML may have to choose to decline to act for the client.

5. Disclosure of conflicts

If we are unable to put in place arrangements that are sufficient to prevent conflicts from adversely affecting our client's interests, we must disclose this to the client before carrying out any business on their behalf. Any disclosure made under this section will be as a last resort, we expect to have effective organisational and administrative arrangements in place to prevent or manage conflicts. We will not make a disclosure before we have properly considered how we can reasonably manage a conflict to reduce the potential damage to the client's interests. If we need to disclose, then we must disclose the general nature and source of the conflicts of interest and the steps we have taken to mitigate any risks. This disclosure must:

- be made in a durable medium (a letter or email);
- clearly state that we are reasonably confident the organisational and administrative arrangements we have in place will not prevent the risk of damage to the client's interest;
- include a specific description of the conflict explain what risks to the client might arise as a result of the conflict;
- made before business is undertaken for the client;
- relate to specific conflicts of interest; and
- include sufficient detail to enable the client to take an informed decision about whether to proceed with the service offered by the firm.

The Compliance Officer and a member of the Board must sign off the disclosure before being issued. If the organisational arrangements made by the AIFM to identify, prevent, manage and monitor conflicts of interest are not sufficient to ensure, with reasonable confidence, that risks of damage to investors' interests will be prevented, the AIFM must both:

- Clearly disclose the general nature or sources of conflicts of interest to the investors before undertaking business on their behalf
- Develop appropriate policies and procedures

6. Record keeping and review

ICML keeps, and regularly updates a conflicts of interest register. Periodic reviews are undertaken to identify any further potential conflicts. On at least an annual basis, and whenever else required, the Conflicts of Interest Policy is reviewed and updated by Compliance. Monitoring of adherence to this policy and the procedures in place around conflicts is conducted by Compliance and reported to the Audit and Risk Committee and the ICML board.

Schedule 3: Best Execution policy

The Best Execution rules will apply to the firm where it is receiving and transmits orders on behalf of its clients such as where the firm negotiates and arranges a transaction for its client, or where it executes orders for clients by entering into an agreement on their behalf.

When executing orders, a firm must take all sufficient steps to obtain the best possible results for its clients taking into account factors including price, costs, speed, likelihood of execution and settlement, size, nature or any other consideration relevant to the execution of an order.

The obligation to deliver the best possible result when executing client orders applies in relation to all types of financial instruments including transferable securities and units in collective investment undertakings.

All of the transactions that we undertake relate to shares in unlisted special purpose corporate vehicles. Best Execution obligations should therefore be applied to take into account the different circumstances surrounding the execution of orders for particular types of financial instruments. For example, transactions involving a sale and purchase agreement for the shares of a private special purpose vehicle may not be comparable for Best Execution purposes with transactions involving shares traded on public exchanges. When negotiating a deal, however, we do attempt to secure an outcome in terms of price and other factors that is in the best interests of our investors.

The Policyholder will not submit a claim under the Insurance Policy without receipt of a correctly completed claim form and the original version of the death certificate.

The personal representatives of the Investor may be required, on request from the Insurer, to provide further information or

documentation in connection with a claim. This may include (but is not limited to) proof of each Investor's age on the date that the Investor signed the Application Form and when Shares for the Investor were allotted, medical reports and records, coroners and/or police reports, and such other information as the Insurer may reasonably require to assess the claim.

It is the responsibility of the personal representatives to collate, respond and provide all information and documentation as requested by the Insurer to the Policyholder or its Associates.

To the extent that the personal representatives of the Investor's estate are unable to provide the information requested, the claim under the Insurance Policy may fail (or the payment of a successful claim may be delayed).

6. Exclusions/termination

No cover is provided under the Insurance Policy, and the Insurer will not pay any claims, where:

- The Investor (or, in the case of joint Investors, either Investor) did not meet the Eligibility Criteria;
- The death of the Investor (or, in the case of joint Investors, either Investor) resulted directly or indirectly from the Investor's suicide, assisted suicide or intentional self-injury;
- The Investor has made a Redemption;
- The Investor (or, in the case of joint Investors, either Investor) provided false information in respect of age, country of residence or any answers given on their Health Declaration;
- The personal representatives of the estate of a deceased Investor fail to meet the Insurer's information requests;
- The Investor or the personal representatives of the Investor's estate (or either Investor in the case of joint Investors) make a fraudulent claim;
- The Investor Agreement between the Manager and the Investor has terminated or is cancelled; or
- The provision of the insurance, or the payment of any claim or benefit by the Insurer under the Insurance Policy would expose the Insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

Where an Investor has made any Withdrawals from the Service, cover will be reduced pro-rata, so the Investor will only be eligible for a lower Sum Insured in the event of a claim.

Premiums: All premiums will be payable by the Policyholder and no additional premium payments are required from the Investor.

Joint applicants: Joint applicants will be eligible provided that each Investor meets the Eligibility Criteria. Cover under the Insurance Policy will be limited to a maximum of £200,000 (i.e. 40% of a £500,000 Subscription Value) whether or not the investment is by one Investor or joint Investors. The insurance cover applies upon the death of the last surviving of the joint Investors, provided this occurs during the Term of Insurance. This means that no cover is provided under the Insurance Policy upon the death of only one of the joint Investors during the Term of Insurance.

Policy payments: The proceeds of the Sum Insured under the Insurance Policy are payable by the Insurer to the Policyholder. Upon receipt of the payment from the Insurer, the Policyholder will pay these proceeds to the Beneficiaries of the Investor or, in the case of joint Investors, the Beneficiaries of the last surviving Investor.

These payments may be less than the amount to which the Investor's estate is subject to IHT in respect of the applicable Shares held in the Investor's Portfolio.

The Policyholder will only be obliged to pay the proceeds of a successful claim under the Insurance Policy to the Investor's Beneficiaries to the extent that the Policyholder receives such proceeds from the Insurer. This means that if, for whatever reason, the Insurer is unable or unwilling to pay a claim in relation to an Investor, the Policyholder will have no obligation to make any payment to the Investor's Beneficiaries.

Neither the Policyholder nor any Associate of the Policyholder gives any representation or warranty as to the solvency or ability to pay claims of the Insurer or anyone acting on its behalf.

7. Cancellation

Coverage under the Insurance Policy will cease if the Agreement between the Manager and the Investor has terminated or is cancelled. Please see Clause 4 (cancellation rights and realisation of investment) and Clause 19 (termination) of the Agreement for more information.

8. Financial Services and Compensation Scheme (FSCS)

Investors will not be entitled to compensation from the FSCS in connection with the Insurance Policy if the Insurer cannot meet its obligations. However, the Policyholder may be entitled to make a claim under the FSCS and would use its reasonable endeavours to secure any recoveries that may be available under the FSCS. To the extent that any recoveries are received in relation to a claim, the Policyholder would distribute the proceeds to the beneficiaries in line with the Settlement. For the avoidance of doubt, the Policyholder's ability to make any recoveries under the FSCS and the amount that may be recovered is not certain.

9. Complaints

Please see Clause 21 of the Agreement for details of how to make a complaint.

10. Taxation of insurance proceeds

The proceeds of the Insurance Policy are payable by the Insurer to the Policyholder. The Policyholder will pay these proceeds to such of the family or Beneficiaries as it selects, taking into account the persons nominated in the Application Form. This should ensure that any proceeds so distributed from a successful claim under the Insurance Policy should fall outside of the estate and so should not be subject to IHT.

There should not be any taxation implications for the Beneficiaries on the receipt of a pay out under the Insurance Policy.
